The sports club of Tona, a municipality located in the province of Barcelona, has decided to invest in the renovation of its lighting and street furniture.

To begin with, the luminaires and floodlights were replaced by the **Milan** models., thus ensuring all the club is properly lit, especially the several tennis and paddle courts.

Citizen Eco, Oslo and Volga benches as well as **Das and Esférica planters** were chosen to create rest areas and give personality to the club.

Finally, the playground area was also renovated by installing a **Cosmic carousel**, an **Alu 4 modular set** and a **Futtoc table**.
