New Dog Agility Park in Palm Island, Dubai. This innovative space is designed for the enjoyment of pets, offering a unique place where dogs can exercise and have fun outdoors.
Located in Palm Island of Dubai, artificial islands currently under construction, which are among the largest of their kind in the world. This park features high-quality finishes, including fences and Toilekan, along with waste bags, ensuring a clean and safe environment for all visitors.
The park elements are designed with fun and dog training in mind. With features like the "Salto," the "Puente," and the "Slalom," each element offers a unique experience that helps improve the agility and health of our four-legged friends.
