El Vellón is reborn in style thanks to the ELA MAD benches of white concrete and Petrus fountains, merging functionality and elegance to beautify the city.

The squares of El Vellón have experienced a revitalization thanks to the **ELA MAD** collection from BENITO, highlighting the elegant white concrete. Complementing this renovation, fountains from the **Petrus** collection have been incorporated, adding a touch of sophistication to the public space.
This bold transformation has not only beautified the squares but also strengthened the sense of community and pride among the town's inhabitants. Now, these renovated spaces have become vibrant and welcoming meeting points, where tradition and modernity harmoniously intertwine.

El Perelló (Spain)

Street furniture from the Petrus collection by BENITO at the seaside.

El Perelló, in Valencia, is a coastal city with promenades near the sea. In one of these spaces, BENITO has installed urban furniture suitable for relaxing and enjoying the moment.

The Petrus line is present with 4 loungers, 4 chairs with backs, and half a dozen backless chairs. It is complemented by 8 Kube planters, 6 Gea recycled polymer bins, 2 accessible fountains, and an Atlas foot wash.

A Futtoc table has also been installed so people can play this game, where you use your feet, head, knees, or chest to move a ball, but not your hands.
