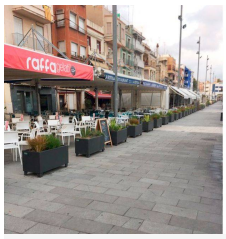
Some of the projects we have done

The municipality chose BENITO to design its playground. An area with a natural touch thanks to the predominance of wood.

Rubí (Spain)

Finland has opted for one of our classic products: the Barcino bench, made with wooden boards and cast iron legs.

Finland



BENITO installed Rectangular flower planters and Barcino benches in the city of Tarragona. Two timeless products thanks to their design.

The municipality of Rubí, located between Terrassa and Sant Cugat del Vallès, has created a new playground area.

The City Council opted for the **Klasik 5 modular set** with two slides united by a bridge, the **Piona double seesaw** and several swings among which we can find one with a **Nest inclusive seat**.

Barcino benches were also installed for adults to take a break while children are playing.
