Salto
JCAN03

Slalom
JCAN11

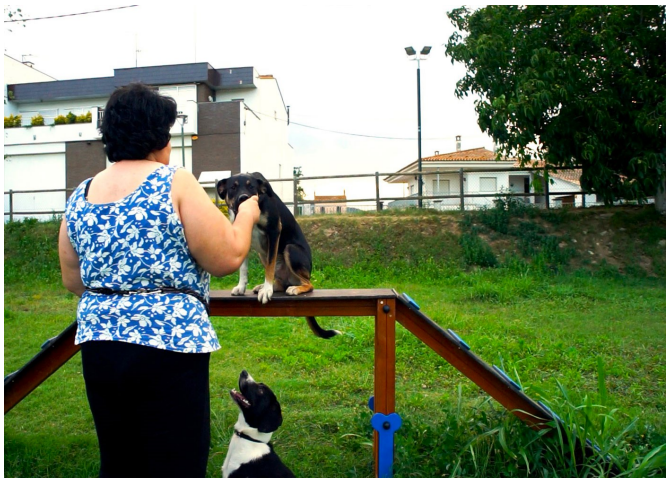

INTROPDF##
Designed to promote physical activity, training, and fun for dogs, the elements in the Canine line are durable and long-lasting, encouraging social interaction between dogs and their owners.

In Bescanó, a park has been installed with various elements that allow them to jump, cross a bridge, or navigate a slalom. It has been complemented with ReBnew benches and treated pine wood trash bins.
