Barcelona (Spain)

The city of Barcelona confirms its commitment to the environment by installing Picco 3 bins to promote selective collection.

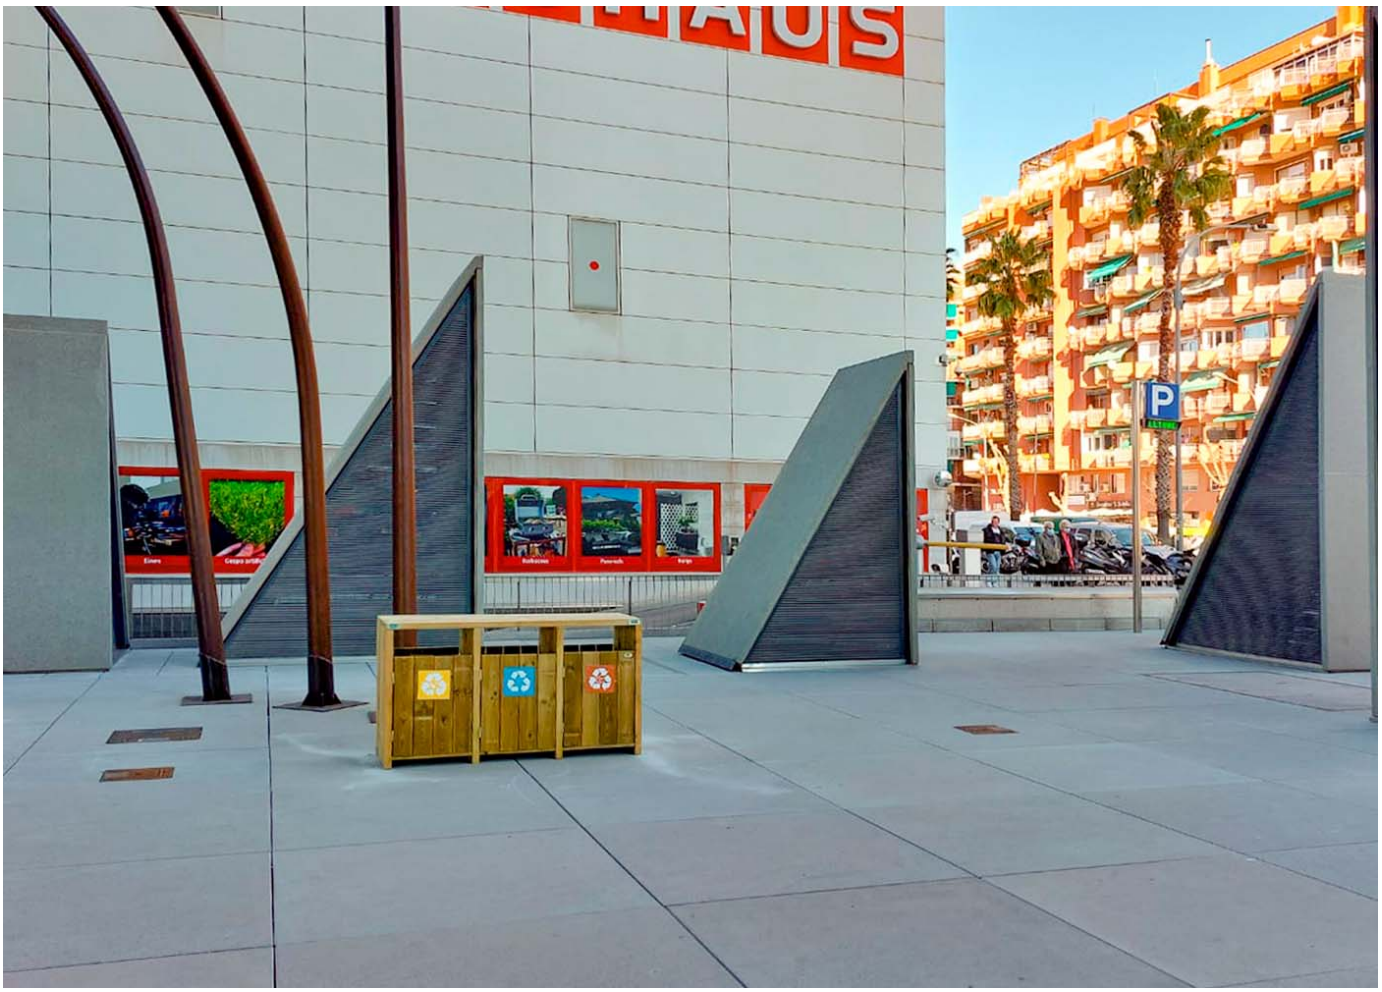

Picco 3
PA664S3

Installation of the Picco 3 bin in a new commercial area in the city of Barcelona.
The installation of this product makes recycling easier for users.
This bin is made of pine wood treated in vacuum pressure autoclave Class IV against woodworm, termites and insects. Natural colour finish. Bin with lid so that water cannot enter the bag and door to facilitate the replacement of the bag. Opening on both sides. Stainless steel screws.
