Alicante (Spain)

The Aromático Park in Torrevieja has been renovated with Klasik play equipment, a zip line, swings, an adapted spring toy, and a large geosail, creating an inclusive, safe, and fun space.

The **Aromático Park in Torrevieja,** in the province of **Alicante**, has been renovated with equipment from **Benito Urban,** transforming it into a more attractive, safe, and accessible space for all ages.
Among the new additions are **modular Klasik play structures,** which promote interaction and physical development in children. **Dynamic elements such as a zip line, wooden swings, and the adapted MAIA spring toy** have also been installed, designed to ensure inclusion and enjoyment for all users. The play area is complemented by **themed structures like a playhouse and a car,** encouraging symbolic play.
For added comfort and sun protection, the area includes a **rectangular Geovela covering 128 square meters,** providing shade on the hottest days. This renovation turns the park into an ideal meeting point for families and reaffirms **Benito Urban's** commitment to high-quality public spaces.

Al Gharrafa Park is located in an area f abot 50,000 m2, which makes it a good place for visistors, residents and tourists; especially this year that Qatar is hosting the FIFA World Cup in November.
It stands out for being the **first park in the world with air conditioning**, designed for recreational activities such as walking, exercising and cycling, becoming one of the first parks with such technology and with environmental awareness as it is operated by solar panels.
The Qatari Administration aims at promoting sports and healthy living as well as providing democratic and inclusive games for all children and communities living in the city.

Pedestrian tracks with A/C which allow visitors to walk during hot summer days.
As it is a family park, we can find:
1-**Two fitness areas** equipped with gym elements (Fitness Station Area 1 and Fitness Station Area 2)
2-**Two playground areas** divided according to age groups from 2 to 5 and from 6 to 12 years old.
Gyms are equipped with fitness equipment that people can use to keep fit. Playground areas are segregated accordifng to age groups and are designed for children up to 12 years old. Children with special needs are also considered in the design of the playground areas.
