In Les Masies de Voltregà, the weekly market area has been renewed with Gavarres picnic tables, DARA litter bins, and a robinia children's area, promoting community, sustainability, and enjoyment.

In Les Masies de Voltregà, in the province of Barcelona, the weekly market area has been renovated with the **installation of new urban elements** that promote community living, sustainability, and shared enjoyment.

Among them are the **DARA litter bins**, in olive green, also available in marson, grey, and burgundy. This model has a capacity of 100 litres and incorporates a ashtray and cover, offering both functionality and design in a single product.

**Picnic tables Gavarres** have also been installed, made of pine wood and reinforced with iron on one side, ensuring strength and durability in daily use.

The area is completed with a **robinia children's playground** featuring a wide range of equipment: **two slides installed on the slope, spring riders, swings, sand play, and balance games**, creating an ideal environment for family and community leisure.
