| Product                                                                                         | Description                                                                                                                                                                                                                                                                                          |
|-------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>JFS105</p>  | <p><b>Kangaroo</b><br/>Fun and educative spring swing for children. Made of resistant materials according to the EN1176 standard.</p> <p><a href="#">Data Sheet</a> <a href="#">Certificate</a></p>                                                                                                  |
| <p>JFS14</p>   | <p><b>Gus</b><br/>Fun and educative see-saws for children. Made of resistant materials according to the EN1176 standard.</p> <p><a href="#">Data Sheet JFS14</a> <a href="#">Certificate</a></p>                                                                                                     |
| <p>JEDU07</p>  | <p><b>Rayo</b><br/>The EDUCA collection for little ones: play and learn. Begin to familiarise themselves with the weather: rain, sun, clouds... Very clear concepts for an adult but a very interesting discovery for little ones.</p> <p><a href="#">Data Sheet</a> <a href="#">Certificate</a></p> |
