

The Aromático Park in Torrevieja has been renovated with Klasik play equipment, a zip line, swings, an adapted spring toy, and a large geosail, creating an inclusive, safe, and fun space.

Alicante (Spain)

BENITO has installed two playgrounds and two exercise areas in the first park in the world with air-conditioned pedestrian tracks in Qatar.

Al Gharrafa (Qatar)

The Aromático Park in Torrevieja has been renovated with Klasik play equipment, a zip line, swings, an adapted spring toy, and a large geosail, creating an inclusive, safe, and fun space.

The **Aromático Park in Torrevieja**, in the province of **Alicante**, has been renovated with equipment from **Benito Urban**, transforming it into a more attractive, safe, and accessible space for all ages.

Among the new additions are **modular Klasik play structures**, which promote interaction and physical development in children. **Dynamic elements** such as a **zip line**, **wooden swings**, and the adapted **MAIA spring toy** have also been installed, designed to ensure inclusion and enjoyment for all users. The play area is complemented by **themed structures** like a **playhouse** and a **car**, encouraging symbolic play. For added comfort and sun protection, the area includes a **rectangular Geosail covering 128 square meters**, providing shade on the hottest days. This renovation turns the park into an ideal meeting point for families and reaffirms **Benito Urban's** commitment to high-quality public spaces.
