BENITO
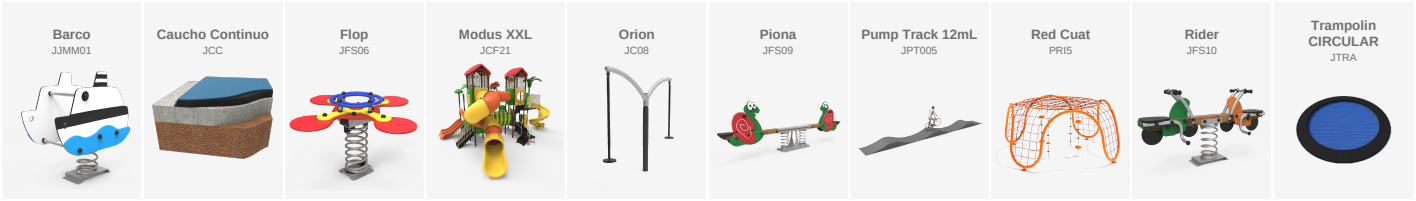
–Playground Equipment

Casablanca (Morocco)

New children’s play area at Beverly Ville Verte, Bouskoura (Casablanca), with rubber safety surfacing and dynamic play equipment adapted to different age groups.



Need / Problem: The new residential development required a safe, attractive children's play area adapted to different age groups within the residential environment.
Solution: Installation of a complete play area with rubber safety surfacing, dynamic play equipment, modular play structures and activity zones.
Result: A colourful, functional play space that encourages play, movement and social interaction among families.
A new children's playground has been developed within **the luxury Beverly Ville Verte residential development in Bouskoura, Casablanca (Morocco).**
Located between residential buildings and shared community spaces, the playground provides a safe and convenient environment for families' daily use. The **continuous rubber safety surface, designed with distinctive shapes and colours, enhances safety while adding visual dynamism and a unique identity to the space.**
The playground features a variety of equipment designed for different age groups and play experiences, **including seesaws, spring riders, dynamic play elements, a CUAT climbing net, a pump track and a MODUS XXL modular play unit.** This combination promotes balance, coordination, climbing, movement and exploration.
The result is a complete, dynamic and contemporary play space designed to enhance community life within the development while offering children a diverse play experience in a high-quality residential environment.

Famous for its impressive Vauban fortress and scenic mountain surroundings, **the charming village of Prats-de-Mollo-la-Preste has recently renovated its children's play area to offer a more modern, safe, and fun space.** Among the newly installed elements are the **ONE**, a modular play unit from the PINT line that promotes symbolic play and physical activity, and the **Loop 4**, a dynamic structure that encourages balance and motor coordination. A **trampoline** has also been added, ideal for active free play.
The playground is enclosed by a **colorful metal fence**, adding both safety and a cheerful design. At the entrance, a **metal sign** welcomes visitors. Additionally, **Minsk urban furniture** items, such as benches and litter bins, have been installed to enhance comfort and functionality, making this area a perfect gathering point for families and locals.
