BENITO has equipped with furniture, playground areas and decorative lighting the community spaces of a 9-hectare residential complex in Cairo.

AEON is a 21-acre residential compound located at the West of Cairo with four apartment buildings and luxury penthouses, with their gardens, and connected by a central avenue.

For this project we were commissioned with the decorative lighting of the exteriors and equipping the community spaces with benches, litter bins, children's equipment and a training station.

The promenade continues beyond the site's boundaries leading directly to *Mall of Arabia* shopping center, owned by the same real-state company, and where BENITO also supplied furniture for its outdoor spaces.
