New children's play area at Beverly Ville Verte, Bouskoura (Casablanca), with rubber safety surfacing and dynamic play equipment adapted to different age groups.

**Need / Problem:** The new residential development required a safe, attractive children's play area adapted to different age groups within the residential environment.

**Solution:** Installation of a complete play area with rubber safety surfacing, dynamic play equipment, modular play structures and activity zones.

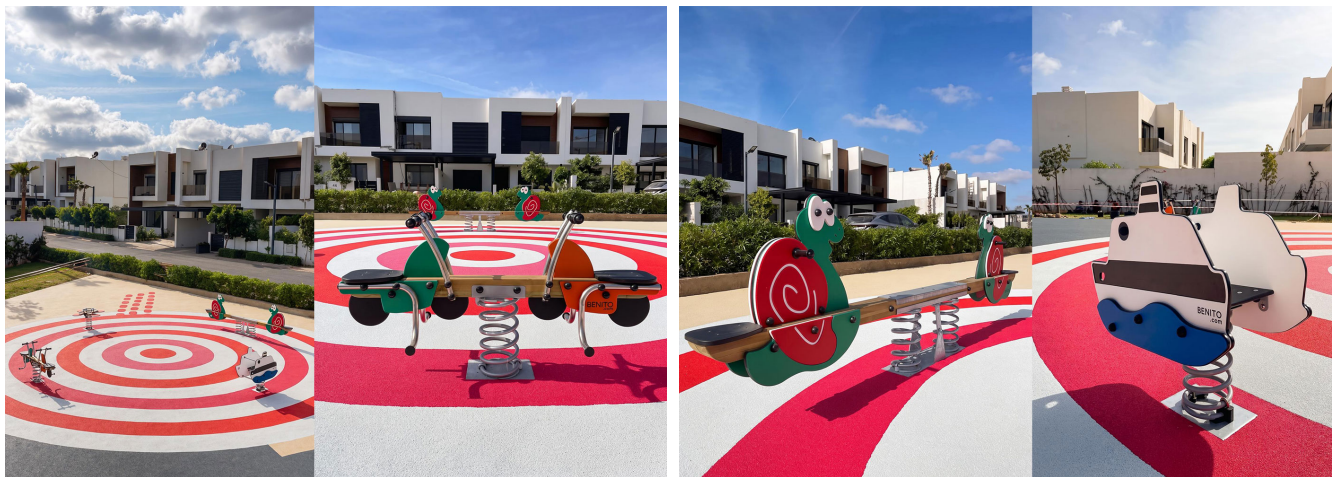

**Result:** A colourful, functional play space that encourages play, movement and social interaction among families.

A new children's playground has been developed within the **luxury Beverly Ville Verte residential development in Bouskoura, Casablanca (Morocco)**.

Located between residential buildings and shared community spaces, the playground provides a safe and convenient environment for families' daily use. The **continuous rubber safety surface, designed with distinctive shapes and colours, enhances safety while adding visual dynamism and a unique identity to the space.**

The playground features a variety of equipment designed for different age groups and play experiences, **including seesaws, spring riders, dynamic play elements, a CUAT climbing net, a pump track and a MODUS XXL modular play unit.** This combination promotes balance, coordination, climbing, movement and exploration.

The result is a complete, dynamic and contemporary play space designed to enhance community life within the development while offering children a diverse play experience in a high-quality residential environment.
