**Repton School Dubai**, one of the most prestigious British schools in Dubai, has renovated its playground with sustainable design solutions provided by **Benito Urban**. The project includes **tensile shade sails as a climate refuge**, offering shaded and comfortable areas for students throughout the year. It also features a **Robinia wooden modular play structure**, a **climbing net**, and **chess tables**, encouraging physical activity as well as cognitive and social development.
Following the standards of the **UK National Curriculum**, the new space combines functionality, safety, and natural aesthetics, creating an educational environment that promotes well-being and outdoor learning.
Through this project, **Benito Urban** reinforces its commitment to **innovation, sustainability, and quality** in school space design, delivering solutions that transform playgrounds into inspiring areas for discovery, play, and community.
