| Product | Description |
|---|---|
| JREB03<br> | **Reb 3**<br>The REB line is designed with **ecodesign and open playability** criteria in mind. Games made from **ReBnew** plastic profiles, **100% recycled and recyclable,** recovered from the selective collection packaging fraction. Considering that plastic waste takes between 100 and 1,000 years to degrade, this creative reuse promotes circular economy.<br>**Multigame structure composed of a platform with different access for climbing and descending (climbing net and inclined climbing ramp), polyethylene slide and roof.**<br><br>Data Sheet Certificate |
| JREBM02<br> | **Lito**<br>The REB line is designed with **ecodesign and open playability** criteria in mind. Games made from **ReBnew** plastic profiles, **100% recycled and recyclable**, recovered from the selective collection packaging fraction. Considering that plastic waste takes between 100 and 1,000 years to degrade, this creative reuse promotes circular economy.<br>**Simple spring swing: game composed of a spring and an abstract design structure.**<br><br>Data Sheet JREBM02 Certificate |
| JREBM04<br> | **Lar**<br>The REB line is designed with **ecodesign and open playability** criteria in mind. Games made from **ReBnew** plastic profiles, **100% recycled and recyclable**, recovered from the selective collection packaging fraction. Considering that plastic waste takes between 100 and 1,000 years to degrade, this creative reuse promotes circular economy.<br>**Two-seat see-saw composed of stainless steel hardware, handles, and a rotating system.**<br><br>Data Sheet JREBM04 Certificate |
| UM301<br> | **Citizen**<br>Exclusive CITIZEN design Bench , total dimensions (length x height x depth) 1800x820x650 mm, manufactured with ductile iron legs (treated with the Ferrus process, the triple-layer protector for iron, which guarantees optimal corrosion resistance). Epoxy primer finish and Marson-colored polyester powder paint. Five tropical wood planks (treated with a triple-layer Lignus coating, a fungicidal, insecticidal and water-repellent protector) in a natural finish. Stainless steel hardware. Recommended anchoring: four M10 expansion bolts depending on the surface and project.<br>Optional items not included:<br>Customizable marking with 74x35 mm aluminum plate or milled board.<br><br>Data Sheet UM301 Data Sheet Certificate TMA/851/2021 |
