Alicante (Spain)

New playground area in the Chana neighbourhood in Granada. This area includes an impressive and colourful surface.

Granada (Spain)

The Aromático Park in Torrevieja has been renovated with Klasik play equipment, a zip line, swings, an adapted spring toy, and a large geosail, creating an inclusive, safe, and fun space.

The **Aromático Park in Torrevieja**, in the province of **Alicante**, has been renovated with equipment from **Benito Urban**, transforming it into a more attractive, safe, and accessible space for all ages.

Among the new additions are **modular Klasik play structures**, which promote interaction and physical development in children. **Dynamic elements** such as a **zip line**, **wooden swings**, and the adapted **MAIA spring toy** have also been installed, designed to ensure inclusion and enjoyment for all users. The play area is complemented by **themed structures** like a **playhouse** and a **car**, encouraging symbolic play. For added comfort and sun protection, the area includes a **rectangular Geosail covering 128 square meters**, providing shade on the hottest days. This renovation turns the park into an ideal meeting point for families and reaffirms **Benito Urban's** commitment to high-quality public spaces.

New playground area in the Chana neighbourhood in Granada. This area includes an impressive and colourful surface.

The park becomes a new space to promote family life: the children of the surroundings and all who want can have fun and play outdoors with their parents, grand-parents and friends.

Accessible park which complies with the specifications of playground security regulations; includes play elements adapted to all children.

It comprises a shock-absorbing surface made with a flexible and permeable material, security fences, and a themed element which consists of two platforms connected with a bridge, two towers, climbing nets, stairs, climbing walls and a slide.
