On the mountain of Vall de Núria, a tranquil area was established with **picnic tables** made of pine wood treated with autoclave, weather-resistant, and **PICO 2** wooden bins with lids, specified for recycling, ideal for hikers' rest and meals, respecting the environment.
Vall de Núria is a mountainous enclave in the Catalan Pyrenees, famous for its natural beauty and its sanctuary dedicated to the Virgin of Núria, attracting pilgrims and nature lovers. It offers outdoor activities such as hiking and skiing, being a rich historical and cultural destination.
