La Guingueta d'Aneu, located in a stunning natural setting in northern Catalonia, has incorporated **ReBnew picnic tables** made from 100% recycled plastic, and an **Artic playground**. This sustainable material not only reduces environmental impact but also creates a welcoming environment for families wishing to enjoy nature.
The Artic playground provides a safe and fun space where children can play freely, while the picnic tables offer comfortable spots for families to gather and share meals outdoors. This initiative promotes responsible use of resources and strengthens the sense of community and connection with nature in La Guingueta d'Aneu. It ensures a clean and inviting environment for future generations, ensuring that everyone can enjoy this beautiful natural setting.
