

ARTESC036
Sculpture
ALBA

Regulations and certifications:

This piece is part of the Benito Artis Collection, a selection of bronze sculptures created using the lost-wax casting method. Each work is meticulously modeled, cast in bronze, and finished by hand, resulting in unique pieces with exceptional surface quality. Designed to evoke emotion and timelessness, they combine craftsmanship and artistic expression.

Specific dimensions and weight: 60 x 55 x 178 cm (without base), approximate weight 308.65 lbs.

Available in a green patina finish.
