Sculpture

NOSTALGIA

Regulations and certifications:

This piece is part of the Benito Artis Collection, a selection of bronze sculptures created using lost-wax casting. Each work is carefully modeled, cast in bronze, and finished by hand, resulting in unique pieces with excellent surface quality. Designed to evoke emotion and timelessness, they combine craftsmanship and artistic expression.

Specific dimensions and weight: 51 x 60 x 158 cm (with base), approximate weight 66 kg.

Availability in green patina finish.
