

# Contain Inox

Gray  
color

Stainless  
steel

Regulations and certifications:

**CONTAIN** container holder, total dimensions (width x height) 60.55x106.61 in, made of AISI-304 stainless steel. With epoxy primer and gray polyester powder paint. Prepared for anchoring embedded in the ground on a concrete block (not included).

## Materials & Finishes:

**Stainless steel:** Structural alloy with a high chromium and nickel content, resistant to corrosion. High resistance to weather, humidity, UV rays and chemical agents present in urban environments. Thanks to the natural formation of a protective passive layer, stainless steel does not require additional coatings, ensuring excellent durability, low maintenance and a clean, timeless appearance – even under demanding conditions such as coastal or industrial areas.
