Bollard

KUBE TAPIA

Precast
Concrete

Low
maintenance

Regulations and certifications:

Kube Tapia's designer bollard, made of rough, granite-gray precast concrete. It rests on a prepared surface under its own weight.

Materials & Finishes:

Concrete: Reinforced concrete with a pickled and water-repellent finish. Manufactured with cement, sand, and gravel embedded within a metal structure. Shot blasting results in a high-quality, durable texture.
