Marquee Iris

Stainless
steel

Regulations and certifications:

IRIS carport with bench and 1 side panel, total dimensions (length x width x height) 157.48x77.95x108.27", made of polished AISI-304 stainless steel, with bench and 1 side panel. Stainless steel roof with tubular structure and 0.31" polycarbonate panel, with three 2.36x3.15" pillars, support for fixing screwed into the side profiles where the enclosure is mounted with laminated safety glass. Delivered in a kit with accessories and assembly instructions. Recommended anchoring: ground embedding.

Materials & Finishes:

Stainless steel: Structural alloy with a high chromium and nickel content, resistant to corrosion. High resistance to weather, humidity, UV rays and chemical agents present in urban environments. Thanks to the natural formation of a protective passive layer, stainless steel does not require additional coatings, ensuring excellent durability, low maintenance and a clean, timeless appearance – even under demanding conditions such as coastal or industrial areas.

Ref.	A	B	H	Wt
MA02/1	157.48"	77.95"	108.27"	529 Lbs
MA02/2	157.48"	77.95"	108.27"	2 Lbs
