ISO 9001 ISO 50001 ISO 14001 ISO 45001

**Releu designer Litter Bin with ring, vandal-resistant design, total dimensions (Ø x H) 17.72x31.50", 23 gal, made of recycled plastic obtained from urban selective collection, 100% recycled and recyclable, durable material, unalterable in the elements, water-resistant, and requires no maintenance. Prepared for anchoring with screws according to the surface and project. Optional: Personalized 10x10 cm plate with client logo or free text.**

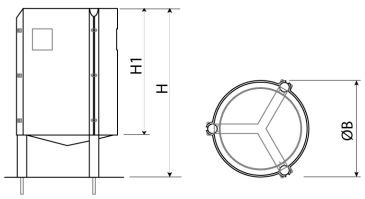

Materials & Finishes:

**ReBnew:** 100% recycled polymer, sturdy and durable, derived from urban, industrial, and domestic waste... It is weather-resistant, resistant to oils, acids, and seawater. It does not splinter or crack, nor does it rot or dry out.

Irregular surface finish makes the board extremely durable as it effectively hides scratches caused by vandalism. Nevertheless, surface scratches can be repaired to restore it to a like-new condition.

Scratch Repair on ReBnew

AWARDED WITH "DER BLAUE ENGEL": Product with low environmental impact throughout its lifecycle. It is awarded to products that meet criteria for reducing environmental impact in manufacturing, recycling, packaging, use, emissions, collection, and disposal. In addition to environmental criteria, it includes quality, safety, energy consumption, and other considerations. It is one of the most prestigious labels globally.
