Planter

Rectangular

Black forged iron M10 bolts fixing

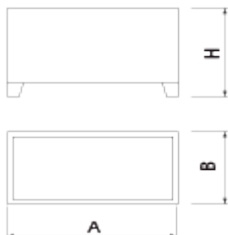

Regulations and certifications:

Rectangular design Planter , total dimensions (width x depth x height)39.37x16.73x20.47 in, made of0.12 in thick iron (treated with the Ferrus process, the triple-layer iron protector, which guarantees optimal corrosion resistance) in wrought black. Prepared for anchoring with M8 expansion bolts according to the surface and project.

Materials & Finishes:

Steel with FERRUS treatment: an iron protection process that ensures optimal corrosion resistance. The Ferrus treatment consists of three layers applied after cleaning all dirt and impurities using shot blasting, and it involves an electrolytic bath followed by an epoxy primer and a final coating of polyester powder paint.
