

UM1160M

Planter

Olea Marson

Marson color

Low maintenance

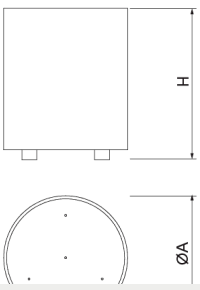

Regulations and certifications:

ISO 9001 ISO 50001 ISO 14001 ISO 45001

Planter made of steel finished in marson colour, designed to last over time without maintenance.
No finish needed, thus eliminating processes that pollute the environment and contributing to sustainability.

Materials & Finishes:

Steel with FERRUS treatment: an iron protection process that ensures optimal corrosion resistance. The Ferrus treatment consists of three layers applied after cleaning all dirt and impurities using shot blasting, and it involves an electrolytic bath followed by an epoxy primer and a final coating of polyester powder paint.
