

VRV480
Fence
Reb

ReBnew material 20 years warranty Low maintenance

Regulations and certifications:

REB Fence, overall dimensions (length x height) 98.43x59.06 in, manufactured from ReBnew plastic (BENITO's recycled polymer, produced entirely from yellow recycling bin containers and requiring no maintenance), composed of 4.72x4.72x59.06 in posts and 98.43x31.50 in slats. Compliant with EN1176 standards, ideal for Playground fencing. Embedded in a prepared concrete surface, according to the surface and project requirements. The horizontal crossbars have internal reinforcement with a rectangular metal section.

* It is supplied in 2.5m sections and you must indicate the number of posts required for installation.

Materials & Finishes:

ReBnew: 100% recycled polymer, sturdy and durable, derived from urban, industrial, and domestic waste... It is weather-resistant, resistant to oils, acids, and seawater. It does not splinter or crack, nor does it rot or dry out.

Irregular surface finish makes the board extremely durable as it effectively hides scratches caused by vandalism. Nevertheless, surface scratches can be repaired to restore it to a like-new condition.

Scratch Repair on ReBnew

AWARDED WITH "DER BLAUE ENGEL": Product with low environmental impact throughout its lifecycle. It is awarded to products that meet criteria for reducing environmental impact in manufacturing, recycling, packaging, use, emissions, collection, and disposal. In addition to environmental criteria, it includes quality, safety, energy consumption, and other considerations. It is one of the most prestigious labels globally.
