The Aromático Park in Torrevieja has been renovated with Klasik play equipment, a zip line, swings, an adapted spring toy, and a large geosail, creating an inclusive, safe, and fun space.

The **Aromático Park in Torrevieja,** in the province of **Alicante**, has been renovated with equipment from **Benito Urban,** transforming it into a more attractive, safe, and accessible space for all ages.
Among the new additions are **modular Klasik play structures,** which promote interaction and physical development in children. **Dynamic elements such as a zip line, wooden swings, and the adapted MAIA spring toy** have also been installed, designed to ensure inclusion and enjoyment for all users. The play area is complemented by **themed structures like a playhouse and a car,** encouraging symbolic play.
For added comfort and sun protection, the area includes a **rectangular Geovela covering 128 square meters,** providing shade on the hottest days. This renovation turns the park into an ideal meeting point for families and reaffirms **Benito Urban's** commitment to high-quality public spaces.
